Carver High School

The latest news during the "homestretch" of the 1952 school year! With the various activities being conducted around school, no doubt is left as to what time of year it is.

The Western Federation of the N. F. A. met at Carver on Tuesday, May 13. Three counties were represented: Campbell, Buckingham, and Appomattox. The contest was a quiz, talent, and oratorical elimination. Winners were: Buckingham for the quiz; Campbell the talent, and Buckingham the oratorical. Winners will attend the annual state meeting in Petersburg on June 3.

The Tenth Grade has returned from an enjoyable trip to Washington. The first place visited was the Washington Monument, where they could see over the city of Washington. Some who walked down the 898 steps were Arleatha, Aulean, Perry, Algie, Hiawatha, Rebecca, Jessie, Gerald, Willie, John Willie and Charles. Other places of interest were the Zoo, where whales, foxes, and animals studied in biology were seen; the United States Capitol; Smithsonian Institution, F. B. I., Library of Congress and the Union Station. After the day's visiting, the class went to Howard Theater, where in addition to seeing a good movie, Louis Jordan and William Jackson's band were heard. Two days were spent in the Nation's Capital.

The seniors are making elaborate plans for their closing activities.

The Senior Picnic will be held at Jones' Lake in Chesterfield County; Senior Banquet will be held in the Home Economics Building; Class Night Exercises will be a unique play. Even diplomas, and caps and gowns will be in the post office soon.

Since our last news write up, the baseball team has split two games. They defeated Buckingham at Buckingham 7 to 3 last Friday, and lost a thriller, 3 to 2 to Farmville last Tuesday. Otheaphus Johnson and Joe Robinson were the heroes in the Buckingham tilt, collecting 3 doubles and driving in 6 runs between them. The next game was played at Appomattox and against Amherst Wednesday. We'll give you a report on this game next week.

Eight senior boys attended the Annual Smoker sponsored by the Omega Psi Phi Fraternity at Lorenza's in Madison Heights last Friday night. All senior boys are invited to the affair. It is designed to help boys select the fraternity they will join when entering college. The fraternity also awards an annual scholarship to a senior boy who wins the competitive examination held. This year it will be held at Lynchburg College. Here's hoping one of our boys wins like they did last year.

The Carver Elementary Grades entertained the high school Friday with a Skit Contest. Some of those little folk have acting ability.

And now for our thought for the week:

"The longer one lives the more he learns."

Price Support For Wheat Is Announced

The U. S. Department of Agriculture has just come out with the minimum price support rates for the 1952 wheat crop in Virginia. They vary by counties from $2.34 to $2.37 per bushel for U. S. No. 1 Grade, according to C. D. Jordan, state chairman of the Production and Marketing Administration. The minimum support rate for Appomattox County is $2.37, per bushel.

These minimum support rates for wheat are subject to increase, if necessary, to reflect 90 per cent of the July 1, 1952 parity price of wheat, which is the official basis of support. There are official discounts for wheat below Grade No. 1 and for smut and other factors.

Price supports are offered to producers through loans on wheat stored in public warehouses under agreement with the Commodity Credit Corporation or on grain in farm storage bins approved by PMA. Growers who don't need immediate cash can get price protection on their stored wheat by taking out a purchase agreement with PMA. That lets them keep title to the wheat with the option of delivering to PMA any time up to April 30, 1953, which is the maturity date for the loan program.

Both loans and purchase agreements may be taken out from time of harvest until January 1, 1953.

As was the case under last year's program, farmers must pay their own storage on wheat stored in warehouse under CCC's Uniform Grain Storage Agreement.

The Bureau of Agricultural Economics May report indicates that the acreage of wheat for grain this year is 350,000 acres against 357,000 acres in 1951.

PRIZES PRESENTED TO BEST SPELLERS

Carter Glass, Jr., of Lynchburg, was in Appomattox yesterday to present cash prizes to the champion spellers of the county. He acted For The Lynchburg News, which sponsors each year a series of spelling bees to determine county and area spelling champions. The area winner participates in a national contest.

Mr. Class made the presentation at 10:30 yesterday morning at the Appomattox High School. A $50 cash prize went to Miss Peyton Abbitt, county champion. A $25 prize went to Miss Dale Weekley, runner-up.

Nominations For Forestry Awards Open

Washington, May 21.- (Special to Times-Virginian) Representative W. M. Abbitt, of the Fourth Congressional District, announced early this week opening of the nominations for the annual awards of the American Forestry Association for outstanding service in the field of conservation.

Representative Abbitt is a member of the national awards committee of the AFA and has been an active leader in the field of conservation. As a ranking member of the House Agriculture Committee, he has served for three years on the AFA committee and has taken a keen interest in the national conservation program.

Representative Abbitt announced that as a result of a meeting in Washington last week, plans were set up for the annual nominations. The deadline for submitting nominations is August 1. Persons may be nominated from the fields of radio, press, education, industry and public service, on the basis of their own service in spreading the knowledge of conservation.

Application blanks for submitting nominations may be secured by writing the American Forestry Association, 919 Seventeenth Street, N. W., Washington 6, D. C. Any information for making nominations also may be secured from this office.

The awards will be presented at the annual banquet of the AFA in Asheville, N. C., October 13. The award will include a plaque and a life membership in AFA, designating the recipients as outstanding leaders in their particular fields of endeavor.

Each year the AFA, through its magazine, "American Forests," searches to find men who have enlightened public knowledge in protecting renewable resources. The purpose of these awards is to recognize those who have made contributions in this work and to encourage others to do likewise.

LEE THEATRE TO PLAY HERE SATURDAY

Appomattox won its first Skyline league game Saturday night, defeating Altavista 9 to 3. "Jay Bird" Mitchell relieved Tom Harvey in the 7th to get credit for the win. Sunday's game was postponed on account of rain.

This Saturday at 8:00 P. M. at Lee Ball Park, Republican Grove will play the local Green Sox. Appomattox plays at Republican Grove Sunday. Saturday finds Amherst at Altavista at 8:00 P. M., and Altavista will return the game Sunday.

Memorial Day To Be Observed

The Appomattox Chapter of the United Daughters of the Confederacy and local American Post No. 104 will jointly observe Memorial Day services at the Confederate Cemetery here on Sunday, June 1, with an afternoon program.

Col. James O. Curtis, Jr. the commanding officer of the Third Armored Cavalry Regiment, Camp Pickett, will be the guest speaker for the occasion.

A full Memorial program is being arranged by joint committees of the two organizations. Memorial Day at the Confederate Cemetery is an annual event of considerable interest for this community. In addition to an address, flowers are used to decorate graves at the cemetery, and memorial rituals performed.

The detailed program will be announced in next week's issue.

To Have Census Of Livestock

Around June 1, about one farmer out of every 12 in Appomattox County will find a card in his mailbox which has been placed there by his rural mail carrier. The purpose of this card is to secure information concerning the number of hogs on farms, the size of the spring pig crop, number of cows milked and milk production, the number of ewes on farms and the number of lambs saved, and some information concerning chickens. About 5 minutes will be required to fill out this card which can be put back in the mail box and will be collected by the mail carrier. The Department of Agriculture has been making this survey for more than 25 years and the information given by farmers has enabled the Department to make accurate state estimates of the pig and lamb crops and of milk production and poultry numbers. This is a sample survey as only a small percentage of the farmers are asked to fill out the card. It is, therefore, necessary that everyone who receives a card fill it out promptly in order that the results may be accurate. The information from these cards is only used for making county and state estimates.

Democratic Convention To Meet Saturday

A large delegation from Appomattox County will go to Petersburg on Saturday, May 24, to represent the county at the Fourth District Democratic Convention. Local delegates were chosen at a recent mass meeting here. They will vote as a unit at the district convention.

Principal business at Saturday's party gathering will be nomination of a candidate for Congress. The incumbent, Watkins M. Abbitt, of Appomattox is slated to win renomination for another two-year term.

This will be the first meeting of Fourth District Democrats since the recent redistricting of the state. A considerable enlargement of the district has been made. About 70,000 population, including the city of Suffolk, at the eastern end of the district were added in the reshuffling which also saw a new tenth district created in northern Virginia.

The excellent record in Washington made by Mr. Abbitt has contributed to the pleasant fact that he has no opposition for another term. As a high-ranking member of the House Committee on Agriculture, he has been able to better the lot of peanut and tobacco growers and farmers in general.
